TIME WITH MAHARAJI

Europe 2007

Maharaji has accepted a number of invitations to attend events in Europe. Everybody who has been taught the techniques for finding peace within or is going through the Keys process is warmly invited. All the events will include sessions in which as many of us as possible will have the chance to ask questions and talk directly with Maharaji if we wish.

The schedule for Barcelona, Birmingham and Las Palmas GC is expected to cover most of the day. All other events are expected to run for 2-3 hours.
